PERFECT FERRIS CLUB WEDNESDAY

Will Notify G. O. P. Candidates Pledge Will Be Kept

An important meeting of the Copper Country Ferris club will be held in the Laurium Social club rooms Wednesday evening, when the organization will be perfected and the club will formally go on record pledging its support for the present executive. Republican candidates immediately will be notified of the club's pledge, thereby serving advance notice that the membership of the organization, in the neighborhood of 1,500 expects to support the Democrat candidate.

This step is taken in advance of the primary election to offset any complications which may follow and to insure the Republican aspirants in the gubernatorial race that the club will live up to its pledge. While this may blight the hopes of various candidates, it nevertheless carries out a movement that had its inception long before the political campaign began.

The Ferris movement came as a result of the attitude of the governor in the copper strike and to show their appreciation for his prompt response to a call for the militia, copper country voters voiced their approval of a second term. Petitions were circulated and freely signed to the extent that approximately 1,500 voters, affiliated with practically every party, joined. The organization is a non-partisan club and the sole object is to support the Ferris campaign.

MILLER SHOWS ARRIVE; CARNIVAL OPENS TONIGHT

LONG TRAIN OF CARS BRINGS ENTERPRISE FROM GREEN BAY TODAY.

The Miller Carnival company, bringing its fifteen shows on a special train of thirty-five cars, arrived in Laurium this morning from Green Bay, and unless the weather interferes, the carnival will formally open tonight. The tents are being erected in the driving park and the center of the oval presents an attractive scene. The tents have been erected in a semi-circle and only a comparatively small space has been allotted to concessions, a large number of which ordinarily detract from the success of a carnival enterprise.

The fifteen shows which constitute the Miller organization are distinctly novel in this section and none but the most attractive shows will be offered. Advice from Green Bay, where the company appeared last week, indicate that the shows are above the average and with this assurance, Calumet people undoubtedly will liberally patronize the enterprise.

While the carnival actually opens tonight, the parade will not be held until Wednesday, when all of the vans, headed by a concert band, will move through the streets of Laurium, Calumet and Red Jacket.

A new feature connected with the shows is a daily fireworks display.

LAURIUM BREVITIES.

John Adamski of Detroit, has returned to his home after a brief visit with his parents, Mr. and Mrs. Joseph Adamski of Ahmeek street.

Miss Emma Pegg, who has been visiting in Laurium for the past few days, has returned to her home in Duluth.

Mrs. Robert Fawcett has returned to Virginia, Minn., after a brief visit in Laurium.

Mrs. Murdock MacDuff and daughter who have been visiting in Ontario, have returned to their home. They were met at Cheboygan by Mr. MacDuff.

A son has been born to Mr. and Mrs. James LaBelle of 228 Kearsarge street.

Miss Elizabeth Fuller, a nurse at the Lakeside hospital at Cleveland, is visiting her mother, Mrs. A. J. Fuller.

There are many dramatic episodes in the play, but its strength lies in the unfolding and development of its characters. The shepherd is a most impressive figure, mentally and physically. The young woman who is the heroine of the story is untrammelled by the conventions of the town and has good red blood in her veins. With the aid of the shepherd she polishes her mind so that she becomes a young woman of culture and refinement. Then there is the young mountaineer whose love is honest and sincere and who down the champion bully and strong man of the mountains in a marvelous contest of strength and endurance. Then there is the uncanny youth who wanders like a will-o'-the-wisp across the mountains and is the means of finally bringing happiness to the shepherd and restoring the good name of the mountaineer's family.

There is much "atmosphere" of the hills pervading the play. And in making the production, Messrs. Gaskill and McVitty, the producers, it is said, have supplied some beautiful and realistic stage pictures.

The play will be seen at the Calumet theater Friday, Aug. 21, matinee and night.

"SHEPHERD OF THE HILLS"

HAS INTERESTING PLOT

ATTRACTION AT CALUMET THEATER FRIDAY IS ONE OF SEASONS SUCCESSES.

The success of Harold Bell Wright's novel, "The Shepherd of the Hills," made into a play by its author in collaboration with Elsbury W. Reynolds, is proving just as big on the stage as in book form it does in the book stores.

The story of the play is based on a somewhat dramatic plot of mystery. An unknown comes into the Ozark mountains and because of his clerical bearing and readiness to officiate for the regular pastor of the mountaineers who live so much to themselves are willing to let the man live the life of
